Umpire : Mr. G. Sargent

We again have pleasure in meeting Fondu, the cement-works team from Purfleet. We have had some very close games with them this season, and expect another this afternoon.

This will be the Cubs' last home game this season, their two remaining fixtures being Cup Finals on neutral grounds. The first is the Southern Counties Intermediate Final v Wokingham Monarchs on Sunday next, 17th September at Hornsey Red Sox ground, Coppetts Road, Muswell Hill. The second is the League Intermediate Cup Final v Aveley Cubs on Sunday, 24th September at Thames Board Mills Ground, Purfleet.

Cubs' complete record to date is : won 18, tied 1, lost 1.

The Div. II Championship Cup will be presented to the Cubs this afternoon by a member of the League Executive.

Essex Nationals are at Enfield this afternoon and will meet the Cardinals in the return League game here next Sunday at 3.30 p.m.

The Supporters' Club now meets on Wednesday evenings at Manor School, Sandringham Road, Barking. Why not join them there ?
