Aveley Cubs	...										
Essex Cubs	...										

We firstly express our thanks to the Thames Board Mills Sports Club for their generous assistance in lending this ground and for their help in other directions. It is greatly appreciated.

The Intermediate Cup competition was started this season to give our newer teams their own knock-out contest, and there have been keen tussles for the new trophy which will be presented to the winners by the League Chairman, Mr. R. Browning. Having struggled so closely for the Second Division championship, we are sure that today's finalists will again provide a very keen game.
