The BBFS Handbook 1990. Published each year. Created and produced by Julian Dodwell, Paul Hesling, Peter Hunt, Glen Libby, Paul Raybould and Joe Walker. Produced in association with Slick Willies, 41 High Street, Kensington, London.

Handbook Introduction

Welcome to the 1990 B.B.F.S. Handbook. For those of you already in baseball, or for those of you who are interested in getting into the greatest team sport in the world, this booklet should give you some of the relevant information. If you require more information please refer to page 3 where you will find the names and addresses of the B.B.F.S. executive.

Congratulations should go to; The G.B. National squad who's display in Paris showed great promise for the future; The Southern Tigers for winning the National League; The Enfield Spartans for winning the National Club, the National Cup and the B.B.F.S. Championship ... where will they put all their trophies? ... and to Division 2 winners Cambridge Monarchs and Division 3 winners Chelmsford Judges and the Southcoast Buccaneers and last, but by no means least, the Reading Royals Colts for winning the National Youth Final.

The schedule for the last couple of years, thanks to you all,.has been the most ambitious to date and as a result, the standard of our game has improved considerably. Out of four National semi-finalists last year, three came from the B.B.F.S.

The effort being put into the youth programme now will ensure better baseball for the future. A youth manual has been published this year and is freely available to all teams. Many senior teams may also find it very useful.

The Umpires Association is a well organised body, last year attending over 120 games. This year they hope to improve on that number, so lets try and give them a trouble free season.

With the introduction of the magazine "BASEBALL UK", there will be more information available for everyone. Close communication between B.B.F.S. members and their Divisional Reps should be maintained to ensure that all news is conveyed.

It would be great to see everyone at National League games and at the National Club finals as this can only help increase the popularity of the sport.

Wishing you all a good season. Lets PLAY BALL.

Schedule Notes And Explanations

FIXTURES

All fixtures must be played as scheduled. No postponements are allowed for any reason except bad weather.

Exceptions:

Enfield Spartans will represent Great Britain in the European 'B' Cup winners tournament at Lyon, France. Their fixture on June 17 may be re-arranged to the convenience of the clubs involved.

Clubs responsible for non-weather postponements will be charged with a forfeit loss.

RAIN DATES

The three Bank Holidays are RAIN DATES for teams with postponed games and who are not at that time competing in the National Knock-Out Cup. Failure to play an outstanding postponed game as of any Bank Holiday Monday will result in a forfeit loss for the clubs involved.

1st Division Notes

Schedule Overview

Schedule Round - 21 games, 7 double headers, 3 games against each opponent. 14 weeks.

Group Round - 4 games, 1 double header, 1 game against each opponent. 3 weeks.

TOTAL - 25 games, 8 double headers. 17 weeks.

Group Round Positions

These will be determined by winning percentage as of August 5.

Crawley Tournament

This takes place on August 11 and 12. Three Group Round games will be embedded within it. Results of these games will double count (the Group Round plus the tournament). Teams 1-5 must participate Saturday and Sunday. Please make careful note of the Saturday date.

Group Round Lower Tier

Teams 6-8 plus the 1st and 2nd place teams from Division II.

Inter-divisional games count towards the final record and positions of each team respectively. The Division II Championship will then be determined by winning percentage which includes schedule round and all group round games. Same for 1st Division relegation.

2nd Division Notes

Schedule Overview

Schedule Round - 22 games, 6 double headers, 2 games against each opponent, 16 weeks.
Group Round (1st and 2nd place teams only) - 4 games, 1 double header, 1 game against each opponent, 3 weeks.
Round Robin - 4 games, 1 double header, 1 game against each opponent, 3 weeks.
TOTAL - 26 games, 7 double headers, 19 weeks.

Double-Header Rotation

There are two conferences but one league table. Double-headers are played out-of-conference only. This eliminates 3 travel dates for every team, 6 dates from the overall schedule.

Double-Header Schedule Method

1 Teams were ranked for distance from the Thames (central London).
2 They were then divided into ordered pairs (1st two, 2nd two, 3rd two).
3 Each team plays a home double-header v one member of each ordered pair.
4 Each team plays a road doubleheader v the other member of each ordered pair.
5 Each teams three road double-headers include one short, one middle and one long distance trip. This (roughly) equalises travel for all teams and minimises total travel for the season.

Schedule Overview - *Both Conferences*

A Regular season - 21 games, 4 double headers, 3 games against each opponent, 17 weeks. 8 or 9 home/away games per team.

B To minimise travel there is no inter-conference play in the regular season.

C Because of (B), there will be a GROUP ROUND among the top two teams from each conference.

D Every team has at least ONE home and away date v each opponent. Three opponents are met a second time home or away.

E Double header rotation is on the same basis as Division II double headers.

In addition to being the champions of the BBF South, the Enfield Spartans also won the BBF Knock-out Cup (beating the Hull Mets in the final) and the BBF Club Championship, where they beat Sutton in an all BBF South final. Their "Triple" meant they won every domestic trophy in British Baseball.
