WELCOME!

On behalf of everyone connected with Baseball in Humberside, may we extend a very warm and sincere greeting to both visiting teams and officials to this, our first Festival. We are pleased to share the event with teams from New York (U.S.A), Belgium and Nottinghamshire. We hope that everyone enjoys the games and that this is the launching of a Festival that will become a major event in the British Baseball Calendar.

Hull is the centre of British Baseball and is steeped in history of the sport in Great Britain. The Governing Body of the sport in this Country is the British Baseball Federation which is based in Hull. On the following pages you will find the Itinerary of the Festival.

We hope that the event will be remembered by everyone for the friendships made. To thank everyone in organising this event by individual names would be far too long, I hope that everyone who has contributed is rewarded by a successful Festival, however special thanks must go to the following in that without their support the Festival would not have taken place-

HUMBERSIDE COUNTY LEISURE SERVICES

HULL CITY COUNCIL LEISURE SERVICES

'DRURY'S' AUTO'S WITHAM

B.P. CHEMICALS SALT END, HEDON.

And finally the manager of the 'Circle' Mr. John Black and his wife, members of his staff and in particular 'Wally' the groundsman.

To all of these people a sincere 'THANK YOU!'.

The Festival is placing emphasis on Youth and now with Baseball being an Olympic sport this is so important to the growth of Baseball in this Country.

DON SMALLWOOD.

LIFE ASSURANCE • PENSIONS • ENDOWMENTS

The fact that Scottish Amicable sponsored American baseball on Channel 4 raised a few eyebrows.

So a word of explanation.

World championship players and our fund managers have much in common. Like consistent performance. High scoring. Better averages.

Although we're in a different ball game we get the same result.

Success.

Just look at our investment record.

NOW WE ARE SPONSORING THE NEW SCOTTISH AMICABLE NATIONAL BASEBALL LEAGUE.
